This is provided for your information only. As background, the Judge in the New York arbitration issued an amendment to her order from over the summer, which order dismissed Field's challenge to BDO's arbitration award. The amendment was fairly minor and just clarified that the award would be confirmed. DLA served "Notice of Entry" of the new Order, which is apparently routine New York practice. Field responded with the below e-mail, and a prior one which I will forward to you.

Tell your partners to back off in New York Supreme Court. I will give you DLA and Poulos an unforgettable memory soon.

So back off and stop interfering with my trial.
